RELEVANT EXPERIENCE

Pearson, Frontend Developer Intern

June 2022 – August 2022

- Design and build a React frontend that connected appropriately to an AWS serverless backend. Created diagrams for application logical flow.
- Refactor frontend UI according to Storybook.js and Material UI standards.
- Create documentation for users and future developers explaining how to use the application and build upon the application, respectively.
- Built out and did the costing for a mock backend ensuring that it was within the team's budget. Developed the backend using Infrastructure as Code via Terraform.

Live Oak Bank, Cloud Architect/IT Support Intern

May 2021 – August 2021

- Aided in the development and maintenance of various system applications.
- Deployed and managed solutions for various cloud environments (AWS, Azure) using Terraform, ensuring they met established SLAs.
- Worked with Senior Developers to write scripts in Bash or Golang to manage and monitor different levels of the server stack.
- Created a new company-wide laptop care policy to address issues with maintenance inefficiencies.
- Developed best practice documentation for inter-company communication on the company intranet.

ProCTS, Network Administration Intern

December 2019 – March 2020

- Created and maintained user accounts for employees of the business, setting up appropriate permissions and file access.
- Installed a new POS system on the new machines and assisted with the set up of an intranet for a restaurant.

CREATIVE EXPERIENCE

Cape Fear Community College, Digital Marketing Intern

January 2019 – May 2020

- Collaborated with senior administrators to redesign the entire college website leading to an increase in site usability.
- Promoted college activities and events through the utilization of social media marketing across a variety of platforms.

Studio A Acting Company, Co-Founder/Board Member

August 2010 – March 2017

- Founded an acting company and organized, performed, and helped to produce seven of the company's plays.
- Organized fundraising activities for the acting company, raising \$2,000 to produce the first play.
- Facilitated meetings of the board, created objectives, set deadlines and schedules- and ensured that all tasks were delegated appropriately.

ACTIVITIES & INVOLVEMENT

Information Systems Association – Director of Communications

August 2020 – May 2022

Created club's social media presence, and organized sessions where members of the professional community would come in to demonstrate IT skills or hold Q&A sessions for club members in place of meetings.

Feminist Alliance

August 2018 - May 2020

Successfully organized a "Coffee and Consent" event with the local Rape Crisis center and attended monthly meetings to set agendas and goals.

Phi Theta Kappa - Honors Society

August 2018 – May 2022

An active member involved in service, volunteering for such events as the Muscular Dystrophy Association's Annual Charity Gala.
